

Free & Easy Packages 3 Days 2 Nights Krabi

Krabi, a coastal province, abounds with countless natural attractions that never fail to impress tourists. Such attractions include white sandy beaches, crystal clear water, fascinating coral reefs, caves and waterfalls, as well as, numerous islands. The distinguishing feature of both Krabi and neighboring Phang Nga is the massive limestone karsts, rising vertiginously out of the flat rice paddies on land and as islands from the sea. Add in some gorgeous *beaches* and excellent *scuba diving* and *rock climbing*, and it's little wonder that tourism in the area has been booming. While less commercialized than neighboring Phuket, Krabi Province cannot be described as undiscovered: it receives two million visitors a year, and the major tourist areas cater extensively for foreigners.
